RSVP to aussiewelshterriers12@gmail.com by 6th February to facilitate catering

Cost: **Free for members.** Non members \$20 (which is equal to the cost of an annual dual membership).

What to bring: Something for you to sit on and something such as a crate or tethering stick to secure your dog.

Water and a bowl for your dog.

The club provides tea/coffee and cool drinks plus light morning tea in addition to the lunch for the humans.

This is a very comfortable venue with a kitchen and toilet facilities and a large undercover space for our activities if it is either too hot or wet on the day so we will be holding this day no matter what the weather chooses to throw at us. Of course there is also plenty of grassed area too.

These social days are always tremendous fun and it is a great opportunity to share Airedale stories and show off your dog's tricks and gamesmanship in the games and activities.

There is no quiz this time so no need for you to swot!

We will be hosting some trainee judges in the afternoon who would appreciate being able to have a hands on look at a variety of Airedales so we would encourage people to make their dogs available to these good people. This is not a judging competition but a chance for these aspiring judges to feel "in the flesh" as it were all the features they have been studying in their training as judges. Every dog has good and less good features so don't feel shy about having your dog handled like this. It is really valuable experience for the trainees and something they appreciate enormously.

We are looking forward to seeing as many of you and your Airedales along on the day so hop on line to accept soon.
